FIC B 69 co	Box, C. J.	Cold Wind		When Earl Alden is found dead, dangling from a wind turbine, it's his wife, Missy, who is arrested. Unfortunately for Joe Pickett, Missy is his mother-in-law, a woman he dislikes heartily, and now he doesn't know what to do—especially when the early signs point to her being guilty as sin. But then things happen to make Joe wonder: Is Earl's death what it appears to be? Is Missy being set up?
FIC C 125 sw	Calame, Don	Swim the Fly		Fifteen-year-old Matt Gratton and his two best friends, Coop and Sean, always set themselves a summertime goal. This year's? To see a real-live naked girl for the first time—quite a challenge, given that none of the guys has the nerve to even ask a girl out on a date. But catching a girl in the buff starts to look easy compared to Matt's other summertime aspiration: to swim the 100-yard butterfly (the hardest stroke known to God or man) as a way to impress Kelly West, the sizzling new star of the swim team.
FIC C 245 id JH	Carter, Ally	I'd Tell You I Love You, but Then I'd Have to Kill You		As a sophomore at a secret spy school and the daughter of a former CIA operative, Cammie is sheltered from “normal teenage life” until she meets a local boy while on a class surveillance mission.
FIC G 886 pa	Grippando, James	Pardon: A Novel		In Florida, a man plans a series of murders to frame the son of the state governor. The purpose of his diabolical scheme is to put the governor, a law-and-order man, in a position where he will be forced to sign his son's death warrant. The motive is revenge, payback the governor for sending a man to death, despite evidence that the man was innocent.

FIC H 785 cr JH	Horowitz, Anthony	Crocodile Tears	Targeted by a hitman and under threat of his past being exposed by the media, Alex reluctantly turns to M16. But their help doesn't come cheaply: they need Alex to spy on the activities at a GM crop plant. There he spots Desmond McCain, a high profile charity organizer, who realizes that Alex is on to him and the real plans for the money he is raising. Kidnapped and whisked off to Africa, Alex learns the full horror of McCain's plot: to create an epic disaster that will kill millions. Forced to ask M16 for protection, Alex finds himself being manipulated in a deadly game that could lead to the destruction of an entire East African country.
FIC P 277 an JH	Patterson, James	Maximum Ride: The Angel Experiment	After the mutant Erasers abduct the youngest member of their group, the "birdkids," who are the result of genetic experimentation, they take off in pursuit and find themselves struggling to understand their own origins and purpose.
FIC P 588 pa	Picoult, Jodi	Pact: A Love Story	A teenage suicide pact between a pregnant girl and her boyfriend, both children of wealthy New England families: he shoots her, but fails to shoot himself and is charged with murder. At the trial he explains what made them do it.
FIC R 744 wi	Rothfuss, Patrick	Wise Man's Fear	Kvothe takes his first steps on the path of the hero as he attempts to uncover the truth about the mysterious Amyr, the Chandrian, and the death of his parents. Along the way, Kvothe is put on trial by the legendary Adem mercenaries, forced to reclaim the honor of the Edema Ruh, and travels into the Fae realm where he meets Felurian, the faerie woman no man can resist.

DVD 332.765 TAK		Taking Control of Your Credit	This DVD follows 2 high school students: Julian and Aaron. Julian gives Aaron a lesson in credit, specifically, the use of credit cards. In this 30-minute program, they discuss the benefits of having credit and the consequences of misusing it. Beginning with the basics of tracking his expenditures and developing his own budget, Aaron learns how to keep his finances under control.
DVD 363.11 SAF		Safety in the Workshop: Avoiding Accidents and Injuries	Going inside a professional and very busy woodshop, this program shows how to prevent a wide range of carpentry-related hazards. An overview of basic safety measures focuses on the need for face masks, respirators, steel-toed shoes, and eye, ear, and hair protection. Safety zones, proper tool storage, flammable liquid storage, and overall cleanliness and organization are also emphasized. Advice on tool sharpening and maintenance leads to detailed safety demonstrations for various hand tools and power tools, both portable and stationary. Finally, students receive a valuable look at basic first aid and what to do in case of an accident.
